

MEMORY COLLECT INTRODUCES AN EASY-TO-USE, WEB-BASED PLATFORM TO CELEBRATE, HONOR AND REMEMBER SOMEONE SPECIAL

February 2023
Memory Collect, LLC

GIVE THE GIFT OF MEMORIES. WWW.MEMORYCOLLECT.COM

Give the cherished group gift of memories. Create a custom website to remember, honor or celebrate someone special. Invite friends, family, and/or colleagues to share their unique memories via written stories, photos, and videos. Commemorate life milestones with the gift of consolidated memories: Birthday, Graduation, Engagement, Wedding, Anniversary, Retirement, Memorial.

Memory Collect – Custom Website Gift Made Easy

Memory Collect allows the originating host to create a custom website for someone special in three easy steps:

1. **CREATE:** The host selects a designer template, color palette, and pre-set or custom questions to create a site. Easy-to-use form-based platform. No coding required.
2. **COLLECT:** The host invites others via email to contribute and share their written memories and stories, photographs, and videos. Submissions flow into the website in the order in which they are received.
3. **SHARE:** The host can easily share the custom website URL (link) with other individuals and social media sites including Facebook, Instagram, and LinkedIn.

WHY USE MEMORY COLLECT?

Memory Collect provides the opportunity to celebrate, honor, and/or remember someone special - whereby an unlimited amount of people can contribute to this unique "group gift." Life milestones are a perfect time to celebrate someone special:

- Birthday
- Graduation
- Engagement
- Marriage
- Retirement
- Memorial

Unlike other social media outlets, Memory Collect provides the host with the ability to create a dedicated, custom, and private website specific to an individual, couple, or group. People who are invited to contribute via email will be able to provide their unique memories about the honoree via written stories, photos, and videos. All contributions are consolidated on the one website, which is shareable via the custom URL.

HOW MUCH DOES MEMORY COLLECT COST?

Memory Collect believes in celebrating people, giving the gift of memories, and “PAYING IT FORWARD.” As such, a host’s first 30 days is a complimentary gift. After 30 days, the host may continue to preserve the site for \$9/month. There is no cost to the invited participants to contribute to a site.

In addition, if a potential host’s financial situation impedes their ability to utilize Memory Collect, or they (or their honoree) is active military, they may email a written request to support@memorycollect.com for possible continued complimentary funding from Memory Collect.

GETTING STARTED & TECHNICAL REQUIREMENTS

What’s needed to begin creating a Memory Collect website?

1. A **reason** to celebrate/honor/remember a person/couple/group
2. One high-resolution **photograph** (preferably horizontal) for cover page
3. A list of **email addresses** of the friends/family you want to invite to participate

Hosts and participants can use the following browsers on computers and mobile devices to edit and view your Memory Collect site:

- [Chrome](#) - PC, Mac, and Linux
- [Firefox](#) - PC, Mac, and Linux
- [Safari](#) - Mac only
